PETITION AND COMPLAINT

Plaintiff and Petitioner CITIZENS FOR ENFORCEMENT OF PARKLAND COVENANTS ("CEPC") hereby alleges as follows:

INTRODUCTION

1. This is an action to set aside a portion of a well-intentioned yet clearly illegal settlement of land use disputes among the CITY OF PALOS VERDES ESTATES (the "CITY"), the PALOS VERDES PENINSULA UNIFIED SCHOOL DISTRICT (the "DISTRICT"), the PALOS VERDES HOMES ASSOCIATION (the "ASSOCIATION") and ROBERT AND DELORES LUGLIANI. As a result of the settlement, the CITY and ASSOCIATION abandoned their historic and clearly defined duties to enforce protective covenants to preserve the character of the CITY, to preserve the CITY's open space and prevent private parties from erecting improvements on public parkland. Although each of the parties to the settlement obtained tangible benefits (money, land and settlement of litigation), these benefits were obtained at the substantial expense of the residents of the CITY and in breach of the below described covenants. By this action, CEPC seeks court orders: voiding those portions of the settlement agreement and related real property conveyances that violate the protective covenants and ordering the CITY and ASSOCIATION to enforce those covenants.

PARTIES, JURISDICITON AND VENUE

- 2. CEPC is an unincorporated association of residents living in and around the CITY. One of CEPC's members is John Harbison. Mr. Harbison owns real property within the CITY and paid taxes to the CITY during the 12 months preceding the filing of this complaint.
- 3. CEPC is informed, believes and thereon alleges that the CITY is a general law city, duly organized under the laws of the State of California and located within Los Angeles County.
 - 4. CEPC is informed, believes and thereon alleges that the ASSOCIATION is a

non-profit corporation, duly organized under the laws of the State of California. The ASSOCIATION's principal place of business is located within Los Angeles County.

- 5. CEPC is informed, believes and thereon alleges that the DISTRICT is a political subdivision of the State of California. The DISTRICT's principal place of business in located within Los Angeles County.
- 6. The Real Parties in Interest and Defendants named herein as DOES 1 through 20, inclusive, are unknown to CEPC, who therefore sues such "DOE" parties by such fictitious names pursuant to Section 474 of the Code of Civil Procedure. CEPC is informed, believes and thereon alleges that DOES 1 through 20 have improperly attempted to utilize various corporate and trust entity forms in an attempt to shield their personal or ultra vires actions behind this veil of protection and avoid personal or other corporate liability. CEPC will amend this pleading to assert the true names and capacities of the fictitiously designated "DOE" parties when the same have been ascertained.
- CEPC is informed, believes and thereon alleges that defendant and real party in 7. interest THOMAS J. LIEB, TRUSTEE, THE VIA PANORAMA TRUST U/DO MAY 2, 2012 together with DOES 1 through 10, are the current legal and beneficial owners of the real property commonly known as Assessor's Parcel Number 7545-002-900 and legally described as follows:

TRACT # 8652 LOT COM AT MOST E COR OF LOT A TH S 11 48'28.8" W 237.36 FT TH N 40 41'40" W 146.21 FT TH W 130 FT TH S 59 W 50.5 FT TH S 2 01'45" W 153.12 FT TH W AND FOLLOWING BDRY LINE LOT A

("AREA A.") THOMAS J. LIEB and DOES 1 through 10 are referred to collectively, as the "AREA A RECIPIENTS."

CEPC is informed, believes and thereon alleges that defendants and real parties in interest ROBERT LUGLIANI and DELORES A. LUGLIANI, as co-trustees of THE LUGLIANI TRUST together with DOES 11 through 20, are the current legal and beneficial owners of the real property commonly known as 900 Via Panorama, Palos Verdes Estates,

California 90274 and legally described as follows:

TRACT # 8652 LOT 11 BLK 1733 AND LOT COM AT MOST W COR OF LOT 11 SD BLK TH W ON N LINE OF VIA PANORAMA 21 FT TH N 2 01'45" E 153.12 FT TH N 59 E 50.5 FT TH E 130 FT TH S 51 00' W 175 FT TH S LOT A

(the "PANAROMA PROPERTY.") ROBERT LUGLIANI, DELORES A. LUGLIANI and DOES 11 through 20 are referred to collectively, as the "PANORAMA PROPERTY OWNERS."

9. Admittedly, neither CEPC nor John Harbison were parties to the settlement documents and related real property conveyances among the CITY, the DISTRICT, the ASSOCIATION, the AREA A RECIPIENTS and the PANORAMA PROPERTY OWNERS that are challenged in this proceeding. However, CEPC has standing to assert the below pled claims for the following three reasons: First, by virtue of John Harbison's payment of taxes within the past year, CEPC may assert on his behalf, a taxpayer's action pursuant to Code of Civil Procedure section 526a. Second, under the "Citizen Suit" doctrine, CEPC has standing to enforce a public duty (the property restrictions alleged below) and raising questions of public rights (the rights of CITY residents to enforcement of protective covenants, to preserve open space and to prevent unlawful conveyances of parklands to private parties). Third, by virtue of Mr. Harbison's ownership of real property within the CITY, he is a beneficiary of the restrictions and CEPC may assert those restrictions on Mr. Harbison's behalf.

GENERAL ALLEGATIONS

- A. The History of the CITY, ASSOCIATION and the Land Use Restrictions
- 10. CEPC is informed, believes and thereon alleges the following based on the contents of the CITY's website:
 - a) The CITY was incorporated on December 20, 1939. New York

financier Frank A. Vanderlip, Sr. purchased the land from the Bixby family in 1913 with the idea of building a planned, residential community. The new community was laid out and landscaped by the famous Olmsted Brothers, sons of Frederick Law Olmsted, Sr., who designed Central Park in New York City. Gently winding roadways, green hillsides, paths, stands of eucalyptus, pepper, and coral trees were established, and a full 28% of the land area was dedicated to be permanent open space. This early planning and dedication of parklands gives the City its unique rural character and has resulted in its international reputation for scenic beauty.

- Vanderlip's plans were slowed by World War I, but subdivision of the b) land and construction of the first Spanish style homes in what is today Palos Verdes Estates began in the early 1920's. Deed restrictions were imposed on the land in 1923, when the Bank of America, as trustee for Vanderlip's Palos Verdes Project, drafted a trust indenture and outlined provisions for development. The area was unincorporated and governed by the ASSOCIATION, which was liable for taxes on all parkland. After the economic crash in 1929, the ASSOCIATION owed taxes to Los Angeles County and residents, concerned that the parklands might be sold for payment, in 1939 voted for City incorporation. In 1940, the parklands were deeded by the ASSOCIATION to the new CITY.
- Over the years, the CITY's governance has been guided by the vision of c) the original founders with an emphasis on preserving, protecting and enhancing the quality of life and natural assets that make Palos Verdes Estates unique.
- 11. There are numerous instruments that evidence the land use restrictions on the real property that is the subject of this lawsuit and demonstrate the illegal aspects of the settlement. Those documents include:
 - The 1923 Restrictions. Declaration No. 1 Declaration of Establishment of Basic Protective Restrictions, Conditions, Covenants, Reservations, Liens and Charges for Palos Verdes Estates, recorded July 5, 1923 in Book 2360, Page 231 of the Official Records of Los Angeles County (including all amendments thereto

of record, "Declaration No. 1.")

- The 1924 Restrictions. Declaration No. 21 Declaration of Establishment of Local Protective Restrictions, Conditions, Covenants, Reservations, Liens and Charges for Tract 7331 – Lunada Bay – Palos Verdes Estates, recorded September 29, 1924 in Book 3434, Page 165 of the Official Records of Los Angeles County (including all amendments thereto of record, "Declaration No. 21.")
- The 1925 and 1938 Deeds. In 1925, the original developers of the c) CITY conveyed by granted deed to the ASSOCIATION various lots subject to deed restrictions limiting the use of the properties to the public schools, parks, playgrounds or recreation areas. These 1925 deed restrictions are equitable servitudes enforceable by way of injunction by the residents of the CITY (as well as residents of the neighboring community of Miraleste). In 1938, the ASSOCIATION conveyed 13 of these properties to the DISTRICT subject to the same land use restrictions set forth in the 1925 Deed. The 1925 and 1938 Deeds are attached hereto as Exhibit "1." The 1938 Deeds also contained restrictions that the conveyed property only be used for public schools, parks, playgrounds and/or recreation areas. The 1938 deed restrictions are equitable servitudes enforceable by injunction by residents of the CITY (as well as residents of the neighboring community of Miraleste). The continued enforceability of these covenants was confirmed by way of judgment in the litigation between the DISTRICT and the ASSOCIATION as more specifically alleged below.
- The 1940 Deeds. By way of quitclaim deed dated June 14, 1940, Bank d) of America conveyed all parkland properties within the CITY to the ASSOCIATION. By way of quitclaim deed dated June 14, 1940, the ASSOCIATION conveyed all parkland properties within the CITY to the CITY. By resolution dated June 12, 1940, the CITY formally accepted the grant deeds. A true and correct copy of the foregoing 1940 documents is attached hereto and incorporated herein as Exhibit "2." Page 12, paragraph 3 of the 1940 deeds states that, subject to conditions not met here, the

transferred property "is to be used and administered forever for park and/or recreation purposes...for the benefit of the (1) residents and (2) non-resident property owners within the boundaries of ... "Palos Verdes Estates." Pages 15 and 16 of the 1940 Deeds states that any breach of the land use restrictions shall cause ownership of the parklands to revert to the ASSOCIATION. AREA A is one of the parkland properties that was conveyed in 1940 to the CITY.

B. The Litigation Between the DISTRICT and the ASSOCIATION over Lots C and D and the Land Use Restrictions

- 12. The DISTRICT obtained two lots from the ASSOCIATION by way of a 1938 Grant Deed known as "Lots C & D" of Tract 7331. The 1938 Grant Deed include restrictions that the subject real property, Lots C and D, are zoned for open space and include a right of reversion in favor of the ASSOCIATION if the property is not used in compliance with deed restrictions.
- 13. On February 1, 2010, the District filed a lawsuit against the CITY and ASSOCIATION seeking, among other things, a declaration that the land use restrictions for Lots C and D were no longer enforceable, Palos Verdes Peninsula Unified School District v. Palos Verdes Homes Association, Los Angeles Superior Court Case No. BC431020 (the "District Lawsuit.")
- 14. On September 22, 2011, the Los Angeles Superior Court entered judgment in favor of the ASSOCIATION and found that the land use restrictions contained in the 1925 Grant Deed remain enforceable. The Court specifically found that Declaration No. 1, Declaration No. 21, the 1925 restrictions and the 1938 restrictions all remain enforceable. A true and correct copy of the September 22, 2011 judgment entered in the District Lawsuit is attached hereto and incorporated herein as Exhibit "3."
- After trial, the ASSOCIATION brought an unsuccessful motion for attorney's fees.
 - On November 21, 2011, the DISTRICT appealed the judgment. Thereafter, 16.

the ASSOCIATION filed a cross-appeal concerning the denial of its attorney's fee motion.

C. The Unlawful Encroachment on AREA A

- 18. The PANORAMA PROPERTY is located at the end of a cull-du-sac and is adjacent to AREA A. AREA A is located to the west of the PANORAMA PROPERTY. THE PANORAMA PROPERTY OWNERS and/or the AREA A RECIPIENTS have encroached on AREA A by erecting illegal improvements on parkland. These improvements include landscaping, a baroque wrought-iron gate with stone pillars and lion statutes, a winding stone driveway, dozens of trees (some of which are as high as 50 feet), a gazebo, a now-overgrown athletic field half the size of a football field, a 21-foot-high retaining wall and other retaining walls. In addition to erecting improvements, the PANORAMA PROPERTY OWNERS and/or the AREA A RECIPIENTS have also unlawfully encroached the CITY's easement by erecting improvements too close to the street.
- These improvements are in violation of the land use restrictions that AREA A be used for public parks and not for the private, exclusive use of the PANORAMA PROPERTY OWNERS and/or the AREA A RECIPIENTS.

D. The Settlement

- 20. By May 2012, the following disputes existed: a) The ASSOCIATION wanted to appeal the denial of its motion for attorney's fees; b) the DISTRICT wanted to appeal the judgment entered against it concerning the restricted use of Lots C and D; and c) the PANORAMA PROPERTY OWNERS and/or the AREA A RECIPIENTS wanted to obtain after the fact approval for its past unlawful improvements and approval for future improvements.
- To resolve these disputes, the parties entered into a Memorandum of 21. Understanding ("MOU") which accomplished the following:
 - a) Lots C and D reverted to the ASSOCIATION;
 - b) The ASSOCIATION swapped Lots C and D for AREA A with the CITY;

1	c)	The ASSOCIATION conveyed AREA A to the AREA A RECIPIENTS for a
2		purchase price of \$500,000;
3	d)	The ASSOCIATION paid the CITY \$100,000;
4	e)	The DISTRICT and ASSOCIATION dismissed their appeals allowing the
5		judgment in the District Lawsuit to be final;
6	f)	THE PANORAMA PROPERTY OWNERS donated \$1.5 million to the
7		DISTRICT; and
8	g)	The CITY obtained the DISTRICT's agreement that the DISTRICT would
9		not attempt to sell or use for residential purposes other properties within the
10		CITY that are similarly restricted as Lots C and D.

FIRST CAUSE OF ACTION

(For Declaratory Relief against all parties)

25. CEPC re-alleges and incorporates by reference the preceding paragraphs as though fully set forth.

26. CEPC contends as follows:

- a) Portions of the MOU are illegal and unenforceable to the extent that they purport to authorize the conveyance of AREA A to THE AREA A RECIPIENTS in violation of the land use restrictions established in 1925 and confirmed by subsequent deeds in 1938, 1940 and 2012 and by way of the judgment entered in the District Lawsuit;
- b) The quitclaim deed and grant deeds dated September 5, 2012, on their face, contemplate a present and future use for AREA A in violation of the land use restrictions. Specifically, they contemplate that AREA A would be used exclusively for the benefit of THE PANORMA PROPERTY OWNERS and/or the AREA A RECIPIENTS in violation of the requirement that the property "be used and administered forever for park and/or recreation purposes...for the benefit" of CITY residents.
- c) The effect of the attempted conveyance on September 5, 2012 was to trigger the reversion of title to AREA A back to the ASSOCIATION;
- d) The ASSOCIATION has the right and affirmative duty to enforce its reversion rights to AREA A;
- e) The CITY and ASSOCIATION have the right and affirmative duty to enforce the land use restrictions and use all legal means to compel the applicable

property owners to remove the illegal improvements from AREA A, require AREA A to be restored to its prior state before improvements were made and prevent unlawful encroachment into the CITY's easement; and

- f) Those portions of the MOU that purport to authorize a conveyance of Area A in violation of its land use restrictions are unenforceable;
- 27. CEPC is informed, believes and thereon alleges that the DISTRICT, the CITY, the ASSOCIATION, the PANAROMA PROPERTY OWNERS; and the AREA A RECIPIENTS all dispute the contentions set forth in the preceding paragraph.
- 28. Pursuant to Code of Civil Procedure section 1060, an actual controversy exists among the parties herein as to the enforceability of the MOU, the right of reversion of AREA A to the ASSOCIATION and the right and duty of the CITY and ASSOCIATION to enforce the land use restrictions for the improvements on AREA A.
 - 29. CEPC seeks a judicial declaration that:
 - a) Those portions of the MOU that purport to authorize a conveyance of AREA A are illegal and unenforceable because they purport to authorize the conveyance of AREA A to THE AREA A RECIPIENTS in violation of the land use restrictions established in 1925 and confirmed by subsequent deeds in 1938, 1940 and 2012 and by way of the judgment in the District Lawsuit;
 - b) The quitclaim deed and grant deeds dated September 5, 2012, on their face, contemplated a use for AREA A in violation of the land use restrictions. Specifically, they contemplated that AREA A would be used exclusively for the benefit of THE PANORMA PROPERTY OWNERS and/or the AREA A RECIPIENTS in violation of the requirement that the property "be used and administered forever for park and/or recreation purposes...for the benefit" of CITY residents.
 - c) The effect of the attempted conveyance on September 5, 2012 was to trigger the reversion of title to AREA A back to the ASSOCIATION;
 - d) The CITY and ASSOCIATION have the right and affirmative duty to

2	property owners to remove the illegal improvements from AREA A, require AREA A	
3	to be restored to its prior state before improvements were made and prevent unlawful	
4	encroachment into the CITY's easement;	
5	e) The ASSOCIATION has the right and affirmative duty to enforce its	
6	reversion right to claim title to AREA A; and	
7	f) Those portions of the MOU that purport to authorize a conveyance of	
8	AREA A in violation of the applicable land use restrictions are unenforceable.

THIRD CAUSE OF ACTION

(for Peremptory Writ of Mandate against the CITY and ASSOCIATION)

- 34. CEPC re-alleges and incorporates by reference the preceding paragraphs as though fully set forth.
 - 35. Code of Civil Procedure section 1085, subdivision (a) provides:

A writ of mandate may be issued by any court to any inferior tribunal, corporation, board, or person, to compel the performance of an act which the law specially enjoins, as a duty resulting from an office, trust, or station, or to compel the admission of a party to the use and enjoyment of a right or office to which the party is entitled, and from which the party is unlawfully precluded by that inferior tribunal, corporation, board, or person.

- 36. The CITY and ASSOCIATION are each inferior bodies within the meaning of Section 1085.
- 37. The ASSOCIATION has the clear, present and ministerial right and affirmative duty to enforce its reversionary rights to AREA A.
- 38. The CITY and ASSOCIATION have the clear, present and ministerial right and affirmative duty to enforce the land use restrictions and use all legal means to remove the illegal improvements from AREA A and to restore AREA A to the state it was in prior to the unlawful use by the AREA A RECIPIENTS and the PANOROMA PROPERTY OWNERS.
- 39. Although the CITY and ASSOCIATION have the discretion to elect the means to discharge their respective duties, they do not have the discretion to disclaim responsibility in its entirety.
- 40. CEPC has a beneficial interest in the issuance of a peremptory writ of mandate so that its members and other similarly situated taxpayers are not deprived of their right to see the law obeyed, the land use restrictions enforced and the right of reversion enforced. CEPC and its members have no plain, speedy, or adequate remedy in the ordinary course of law to ensure that the law is obeyed, the land use restrictions enforced and the right of reversion for AREA A is enforced.

PRAYER FOR RELIEF

WHEREFORE, CEPC prays for judgment as follows:

- For a judicial declaration that:
- (a) Those portions of the MOU that authorize a conveyance of AREA A to the AREA A RECIPIENTS and a use of AREA A in violation of applicable land use restrictions are illegal, void and of no legal effect;
- The purported conveyances of AREA A from the CITY to the (b) ASSOCIATION and the ASSOCIATION to the AREA A RECIPIENTS via Instrument Numbers 20121327414 and 20121327415 recorded September 5, 2012 are illegal, void and of no legal effect and/or triggered the reversion of title to AREA A back to the ASSOCIATION;
- (c) The CITY and ASSOCIATION have the right and affirmative duty to enforce the land use restrictions and must use all legal means to remove the illegal improvements from AREA A; and
 - (d) This litigation vindicated an important public right;
- For an order enjoining all defendants and real parties hereto from executing 2. further documents purporting to convey AREA A to the AREA A RECEIPIENTS and/or the PANORAMA PROPERTY OWNERS;
- 3. For an order enjoining all defendants and real parties hereto from enacting ordinances authorizing the erection and maintenance of improvements on AREA A;
- 4. For an order enjoining the CITY from spending public funds on efforts to allow for after the fact approval of the improvements on AREA A;
- 5. For a peremptory writ of mandate directing the ASSOCIATION to enforce its reversionary rights to AREA A;
- For a peremptory writ of mandate directing the CITY and ASSOCIATION to 6. enforce the land use restrictions and use all legal means to remove the illegal improvements from AREA A, including restoration of AREA A to its prior state and precluding encroachment into CITY easements;

	1	7. For an award of co	osts and attorney's fees as allowed by law; and

PALOS VERDES ESTATES

PROTECTIVE RESTRICTIONS

Summary

VER since people began to congregate in cities, and even in country communities, the problem of touching elbows has been with us. In Palos Verdes Estates constant effort has been directed to building an ideal garden suburb and residence park, with all the advantages of the city, in the country.

From the very beginning of this project, in the Trust Indenture which is the constitution under which it is being built, and through all the plans and layouts made, every possible protection has been established, to make sure that the neighborhoods in Falos Verdes can never be spoiled. Every man who builds a fine home or other building here need not fear that a thoughtless or unsympathetic neighbor will put in a kind of building next to him so unattractive or inappropriate as to be ruinous. All this has been done, we believe, in a way that will not prove onerous, and yet will give the fullest protection. Careful zoning has been done to locate the few areas necessary for business buildings, apartments and house-courts at appropriate and convenient centers, leaving, however, over ninety per cent of the property restricted to detached single family homes, under the most favorable conditions possible.

The restrictions have been most carefully worked out for every part of Palos Verdes Estates, to accomplish the following results:

First: To preserve the fine views of ocean, mountains, and park;

Second: To increase with the years the wonderful natural beauty of the property, enhanced with fine planting; and

Third: That every purchaser in Palos Verdes may be sure when building his home there that his neighbor will have to build an equally attractive type of building. In other words, he will feel secure in knowing that his home can never be damaged by an unsightly or undesirable structure either upon adjoining lots or in any part of Palos Verdes Estates.

The experience of many of the finest residential tracts in other large American metropolitan areas has clearly demonstrated the advantage of the adoption of such protective restrictions as will promote and safeguard the attractiveness and desirability of residential neighborhoods.

In preparing the restrictions for Palos Verdes Estates, the project has been guided by the experience of many years in these other parts of the country; by the counsel and advice of Olmsted Brothers of Brookline, Massachusetts, the foremost landscape architects in this country; by Charles H. Cheney, nationally known Consultant in city planning; and by the experience of an able staff of architects, landscape architects, engineers and city planners.

In thus taking advantage of the best experience of the country and adapting it to the special conditions of site, climate and residential ideals of Palos Verdes Estates it is believed that the protective restrictions here worked out are the best that have been yet devised for any American community, and will result in making Palos Verdes not only the most beautiful and attractive residential city in California, but one of the finest and most notable in any part of this country or abroad.

On account of the large extent of Palos Verdes Estates, the varying character of the property, the great number and wide range in location, size, slope and outlook of the lots, the declarations of restrictions taken as a whole may seem to be somewhat complex. The fact is, however, that the restrictions and conditions relating to any one lot are quite simple, and may be easily summarized.

Briefly, their main features are as follows:

Marking a greater step forward in the time that the protections will last than any other residential development in Southern California, is the provision of the Palos Verdes restrictions extending their life over a period of 37 years, or until 1960, with automatic extension for successive 20-year periods thereafter unless then changed by two-thirds of the property owners. Although the protection of such long time restrictions is most desirable the conditions surrounding property are subject to somewhat rapid change in a section so fast growing as Southern California, and hence a term as long as the above would be unsafe except for the provision

[2]

which has been included providing a means by which the zoning and local restrictions as to any lot may be modified with the approval of the owners of two-thirds of the property within 300 feet of the proposed change, and of Palos Verdes Homes Association and the Art Jury.

One important feature of the restrictions is that which requires an open or free space on each side of every dwelling, the extent of which varies with the location and the width of the lot. This assures the maintenance of a bright, open, sunshiny neighborhood for each dwelling, with a maximum of light and air, and avoids that unpleasant jamming of one house against another, which has spoiled so many residential developments.

The building set-back requirements from the street have been carefully worked out with the idea of maintaining views and increasing the architectural perspective. The average set-back is 20 to 30 feet, varying in different tracts according to the kind and type of house best suited to that location. For fire protection a set-back from rear lot lines is also required. All set-backs have been much modified where the lots are shallow or on hillsides where it is difficult to get into the buildings unless they are near to the street.

Not more than one house may be built on any building site which is zoned for single-family dwellings, nor may any building site be re-subdivided. In some cases, however, large lots have been designated as including more than one building site.

Palos Verdes is, of course, primarily a high class residential city in which over 90 per cent of all lots are restricted to one-family houses. No flats, apartments, duplexes, house-courts or stores are permitted in the single-family neighborhoods, but only at very limited convenient centers where they have been designed to be as much out of the way of the strictly home neighborhoods as possible. The four principal communities of Malaga Cove, Lunada Bay, Valmonte and Miraleste have as a matter of convenience reasonably small business centers, about two miles apart, where a few blocks of necessary stores, garages and service stations may be located. Adjoining them are some blocks open to apartment houses, hotels and house-courts. But the number and kind of these buildings have been

[3]

strictly limited, and the project will control their architectural design in such a way as to make them distinctive, attractive and convenient without in any way detracting from, but rather supplementing, the fine and extensive residential neighborhood surrounding them.

There are also established as a matter of convenience additional small business building groups at local centers about a mile apart, as at Monte Malaga, Zurita, Margate, etc., to serve areas that would otherwise be inconveniently far from a neighborhood store and market.

Industries, asylums, or nuisance businesses are prohibited in all parts of the Estates.

No billboards, advertising signs or "For Sale" signs can be erected in Palos Verdes, and the few store and business signs necessary must meet with the approval of the Art Jury.

The character of the property is such as to preclude the keeping of live stock, which includes rabbits, pigeons, chickens and other poultry, except where there is no residence within a considerable distance when they may be allowed in special cases, for private use only, by a special permit from the Palos Verdes Homes Association. Likewise, on the larger lots, a special permit may also be given for the keeping of horses and cows.

No outhouses, private garages or tents may be erected prior to the erection of the dwelling house or principal building on the lot.

The minimum cost of houses that may be erected ranges from a fairly low amount in areas where there are cheaper lots to considerably higher restrictions along the ocean bluffs and at special points, the amount being determined by the size, value and neighborhood of the lot.

But more important than any specific requirement as to the minimum cost of houses is the provision in the restrictions for the approval by Palos Verdes Homes Association and the Art Jury of the plans and specifications of all buildings prior to the beginning of construction, and of inspection during construction. This will be done from

the heginning as carefully and thoroughly as it is in a large modern city, thus preventing the danger of careless or bad construction, defective wiring and plumbing, unfortunately so common in most of the unincorporated areas outside of the larger cities of Southern California. The experience of the best Eastern developments has shown that in practice this kind of regulation works greatly to the advantage of lot owners as a whole. It will further the harmonious and attractive development of the property and prevent unsightly buildings—with respect to their location on the lot, design or color scheme. It is also believed that with the long experience of the men intrusted with this part of the work, it will be possible to give, when plans are presented, suggestions of substantial value to home builders, and to prevent costly errors.

Fences, walls, hedges and poles will be limited to a reasonable height. No trees on any lot larger than twenty feet in height may be cut down without the consent of the Park Department of Palos Verdes Homes Association.

Easements and rights-of-way are reserved for sanitary, electrical utility and other necessary purposes on the rear five feet of lots, and also over side lines where needed. These easements will not interfere with the full and free use of property by owners for planting.

As nearly every lot must be provided with a private garage special attention has been given to the prevention of unsightly garages. Architects and builders have learned that the garage can very agreeably be made a part of most dwellings, but where this does not seem practicable the restrictions as to the location of garages have been earefully drawn to keep them in a location as unobtrusive and unobjectionable as possible.

To carry on the common interest and look after the maintenance and welfare of all lot owners right from the beginning, a community association, with the name of Palos Verdes Homes Association, has been incorporated as a non-stock, non-profit body under the laws of California, in which every building site has one vote. It will be the duty of this body to maintain the parks, street planting, and other community affairs, and to perpetuate the restrictions.

The Association is governed by a Board of five directors elected by the members. Each purchaser on receiving his deed or contract of sale automatically becomes a member of this Association and entitled to vote.

One of the greatest difficulties in starting new communities outside of an incorporated city is to bridge the gap of time from the beginning of the project until there are enough people under state law to organize the ordinary forms of government, and to employ the necessary help to keep up streets, parks and playgrounds, and to look after other community interests such as fire protection, secure the necessary watchmen and police, collect garbage, and the like. In smaller projects the selling company often provides a temporary paternalistic interest, which unfortunately, however, often later requires concessions for the sake of making sales that are not always to the greatest common good. To avoid all such difficulties Palos Verdes Homes Association and the Art Jury have been legally constituted under the restrictions, as perpetual bodies to carry out and look after, from the beginning, the best interests and highest ideals of the purchasers.

They will take care of the common and private parks, parking strips on the streets, sidewalk planting, etc.; see that vacant lots are kept free from weeds and rubbish; supervise the ornamental lighting features; care for and maintain club houses, tennis courts, golf courses or any other recreation features that the members may desire; arrange with county authorities for the upkeep of streets, fire and police protection; and otherwise co-operate with all authorities to assure the greatest common welfare to all residents and owners in Palos Verdes.

In order to defray the expenses necessary to properly maintain and fulfill the purposes of the Association, an annual tax or assessment will be levied by the officers on all lots which have been subdivided and logally filed of record in Palos Verdes, including those owned by the Project. This tax or assessment is limited so as never to exceed the rate of the old City of Los Angeles, and is established on the assessed valuations of the County Assossor.

[6]

800AHV4

While this maintenance charge will naturally be only made large enough to produce as much as is required for the proper upkeep of the property, and may in some years be considerably less than Los Angeles City taxes, the maximum has been established sufficiently large that the Association may have means for making an equitable assessment should residents and property owners desire further playground equipment, community meeting houses or other common improvements.

The Art Jury and the Palos Verdes Homes Association exist solely for the common benefit of all property owners in the Estates and should be made use of by them to bring about the most attractive, convenient and satisfactory development possible.

Owners expecting to build should instruct their architects to secure copies of the printed building code and other regulations from the Secretary of the Palos Verdes Homes Association, 504 Lane Mortgage Building, Los Angeles, or at Hotel Redondo, Redondo Beach, and to submit preliminary sketches to the Art Jury for approval in advance of starting working drawings. A building permit, such as is usually required in every incorporated city, is necessary before any construction can be commenced, signed by the Building Commissioner of Palos Verdes Homes Association and the Secretary of the Art Jury.

A complete printed copy of the restrictions of record for each tract will be furnished when contracts of sale or deeds are signed, or can be had upon application to Henry Clarke, Director of Sales, 501 Lane Mortgage Building, Los Angeles.

Case No. BC431020

Assigned to the Honorable Richard Fruin, Department: 15

PROPOSED JUDGMENT FOR DEFENDANT PALOS VERDES HOMES ASSOCIATION FOR QUIET TITLE AND DECLARATORY RELIEF

This action was tried to the Court sitting without a jury on March 29 and 30 and April 1 and 4, 2011, with argument on April 14, 2011 and supplemental argument on May 20, 2011. Jeffrey L. Parker of the law firm Robinson & Parker, LLP represented plaintiff Palos Verdes Peninsula Unified School District (the "School District"). Andrew J. Haley and Andrew S. Pauly, of the law firm Greenwald, Pauly, Foster & Miller, A Professional Corporation, represented defendant Palos Verdes Homes Association (the "Homes Association").

Based on the oral and documentary evidence presented, the written and oral argument of counsel, and having already filed a Statement of Decision on August 221, and good

1. This Judgment affects that real property located in the City of Palos Verdes Estates, County of Los Angeles, State of California commonly known as Lots C and D of Tract 7331 (the "Property") and legally described as:

LOTS C AND D OF TRACT 7331, IN THE CITY OF PALOS VERDES ESTATES AS PER MAP RECORDED IN BOOK 102 PAGE(S) 46 TO 50 INCLUSIVE OF MAPS, IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY AKA: APN 7542-002-900 AND 7542-002-901

- 2. As of the filing of the Complaint on February 1, 2010, the School District held and continues to hold its interest in the Property as a fee simple owner pursuant to that certain Grant Deed, dated December 7, 1938, from the Homes Association to the School District, recorded January 31, 1939 in Book 16374 Page 140 in the Official Records of Los Angeles County (the "1938 Grant Deed"), which Property was originally granted in fee simple to the Homes Association by Grant Deed, dated June 29, 1925 from Bank of America, as trustee, recorded June 30, 1925 in Book 4459 Page 123 in the Official Records of Los Angeles County (the "1925 Grant Deed").
- 3. The Property remains subject to the restrictions set forth in the 1925 Grant Deed (the "1925 Restrictions"), which 1925 Restrictions are valid and enforceable equitable servitudes against the Property enforceable by injunction by the dominant tenements of the 1925 Restrictions. The dominant tenements of the 1925 Restrictions are the residents of Tract 4400 (the City of Palos Verdes Estates) and Tract 6881 (the Miraleste district of Rancho Palos Verdes).
- 4. The Property also remains subject to the restrictions set forth in the 1938 Grant Deed (the "1938 Restrictions"), including that the Property may not be used for any purpose other than for the establishment and maintenance of public schools, parks, playgrounds

. 7

and/or recreation areas. The 1938 Restrictions are valid and enforceable equitable servitudes against the Property enforceable by injunction by the dominant tenements of the 1938 Restrictions. The dominant tenements of the 1938 Restrictions are the residents of Tract 4400 (the City of Palos Verdes Estates) and Tract 6881 (the Miraleste district of Rancho Palos Verdes).

- 5. The 1938 Grant Deed created a binding contract between the School District and the Homes Association, which contract restricted the use that the School District can make of the Property to only public schools, parks, playgrounds and/or recreation areas. This contract (including the use restrictions set forth therein) continues to remain valid and enforceable, and a violation of the restrictions set forth in such contract would cause irreparable harm to the development plan for Tract 7331 Lunada Bay Palos Verdes Estate that can be judicially enjoined.
- 6. The Marketable Record Title Act, Civil Code §§ 880.020, et seq., (the "MRTA") does not apply to the 1925 Restrictions or the 1938 Restrictions.
- 7. The Property also remains subject to all other conditions, covenants, restrictions and reservations of record, including, but not limited to, that certain Declaration No. 1 Declaration of Establishment of Basic Protective Restrictions, Conditions, Covenants Reservations, Liens and Charges for Palos Verdes Estates, recorded July 5, 1923 in Book 2360, Page 231 of the Official Records of Los Angeles County (including all amendments thereto of record) ("Declaration No. 1") and that certain Declaration No. 21 of Establishment of Local Protective Restrictions, Conditions, Covenants, Reservations, Liens and Charges for Tract 7331 Lunada Bay Palos Verdes Estates, recorded September 29, 1924 in Book 3434 Page 165 of the Official Records of Los Angeles County (including all amendments thereto of record) ("Declaration No. 21").
- 8. Notwithstanding the School District's ownership of the Property, the Property remains subject to the same policies and procedures that the Homes Association applies to other properties in that area of the City of Palos Verdes as established under Declaration No. 1 and Declaration No. 21, including the Art Jury.

1	9. This Judgment shall be recorded and all of the terms and conditions herein	
2	shall run with the Property.	
3	10. The School District shall take nothing on its First Amended Complaint.	
4	11. The Homes Association is the prevailing party. The Court awards costs of	
5	\$ in favor of the Homes Association and against the School District	
6	pursuant to a timely filed and served Memorandum of Costs.	
7	12. The Court awards reasonable atterneys' fees of \$in-

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is made and entered into by and among the PALOS VERDES PENINSULA UNIFIED SCHOOL DISTRICT ("School District"); The PALOS VERDES HOMES ASSOCIATION, a California corporation ("Homes Association"); the CITY OF PALOS VERDES ESTATES ("City"); and THOMAS J. LIEB, TRUSTEE, THE VIA PANORAMA TRUST U/DO MAY 2, 2012, TOGETHER WITH TRUSTS FOR THE BENEFIT OF RELATED PARTIES, the owners of 900 Via Panorama in Palos Verdes Estates ("Property Owners"), all of which are collectively referred to herein as the "Parties" or individually as "Party."

RECITALS

WHEREAS, all properties within the City are subject to certain protective restrictions, commonly referred to as Covenants, Conditions & Restrictions or CC&Rs. Certain properties within the City are also subject to use restrictions based on requirements imposed on those properties in the grant deeds conveying the properties which limited the use of the properties to public schools, parks, playgrounds or recreation areas. Specifically, in 1925, the original developers of the Palos Verdes Peninsula conveyed to the Homes Association by grant deed (the "1925 Grant Deed") various lots subject to deed restrictions which limited the use of the properties to public schools, parks, playgrounds or recreations areas. In 1938, the Homes Association conveyed 13 properties ("1938 Conveyed Properties") in the City to the School District's predecessor-in-interest subject to the same use restrictions stated in the 1925 Grant Deed.¹

WHEREAS, two of the 1938 Conveyed Properties were Lots C & D of Tract 7331. Lot C is approximately 19,984 square feet and Lot D is approximately 17,978 square feet. Lots C & D are flanked on either side by houses located between 2032-2100 Via Pacheco and 2037-2101 Palos Verdes Drive West. Like all School District owned property in the City, Lots C & D are zoned OS (Open Space) and designated Class F pursuant to the use restrictions described above. The 1938 Grant Deed also included a right of reversion providing that ownership of Lots C & D could revert back to the Homes Association if the property was not used in compliance with the deed restrictions.

WHEREAS, to clarify the School District's rights with regard to Lots C & D, the School District filed a lawsuit against the City and the Homes Association, Los Angeles County

¹The 13 lots conveyed in the 1938 grant deed are grouped into seven properties. Those seven properties are commonly known to residents as (i) Malaga Cove Administration Center; (ii) Valmonte Early Learning Academy; (iii) Lunada Bay Elementary; (iv) Palos Verdes High School; (v) Montemalaga Elementary; (vi) Margate (Palos Verdes Intermediate School and playing fields at Campo Verde) and (vii) via Zurita property (George Allen Field). In 1988, the via Zurita property was transferred from the District to the Homes Association and from the Homes Association to the City, so that it is currently under City ownership. However, the 1988 transfer establishes a reversionary interest in the District under certain circumstances.

Superior Court Case No. BC431020. The lawsuit has two causes of action. The first is to "quiet title" and is against only the Homes Association. That cause of action addresses whether the use restrictions on Lots C & D are still enforceable. The second cause of action is for declaratory relief and was against both the City and the Homes Association. The School District sought a court order declaring that (a) the Homes Association cannot prevent the subdivision of Lots C & D and (b) the School District is not subject to the City's ordinary hearing procedures for rezoning and subdivision applications and that Government Code section 65852.9 compels the rezoning and subdivision of Lots C & D without public hearing. The School District dismissed the City from this latter claim and applied to the City for rezoning.

WHEREAS, in the summer 2010, the School District applied to the City to re-zone Lots C & D from OS to R-1 in order to facilitate the sale of Lots C & D. The School District sought to take advantage of Government Code section 65852.9, which affords the School District the right to rezoning under certain circumstances. The City held a public hearing to consider the application and tabled the matter until the court determined whether the deed restrictions (which precluded residential development) were valid and enforceable.

WHEREAS, following approximately four and a half days of trial in spring 2011, on September 22, 2011, the trial court entered judgment ("Judgment") for the Homes Association in the School District's lawsuit. The Judgment is attached hereto as Exhibit 1. The trial court held, among other things, that the use restrictions contained in the 1925 Grant Deed and reiterated in the 1938 Grant Deed are valid and enforceable against the School District as to Lots C & D. The Court further held that Lots C & D remain subject to all applicable protective restrictions. As the prevailing party, the Homes Association was awarded costs of \$16,491.83. The Homes Association also filed a motion with the trial court seeking to recover \$291,701.25 in attorneys' fees. That motion was denied on February 14, 2012, which denial is appealable.

WHEREAS, while the Judgment is only applicable to Lots C & D, the Judgment additionally implies that all properties, including the 1938 Conveyed Properties owned by the School District by the 1938 Grant Deed remain subject to the restrictions set forth in the 1925 Grant Deed by which the properties were originally granted to the Homes Association. The Judgment also implies that all properties also remain subject to the restrictions set forth in the 1938 Grant Deed, including but not limited to the restriction that the properties may not be used for any purpose other than for the establishment and maintenance of public schools, parks, playgrounds or recreation areas which restrictions are valid and enforceable equitable servitudes against the Property. The 1925 Grant Deed and 1938 Grant Deed are attached as Exhibit 2. A school site in the Miraleste district within the city of Rancho Palos Verdes was also included in the 1925 deed, and conveyed to the School District in 1929. This MOU only affects the rights and obligations of the parties with respect to properties within the City of Palos Verdes Estates.

WHEREAS, the School District appealed the Judgment and that appeal is currently pending in the Second Appellate District Court bearing Case No. B237444. The Homes Association also filed a cross-appeal, which is currently pending in the same court. The Homes Association has the right to also file an appeal of the trial court's denial of its fee motion and

intends to do so. The initial lawsuit, appeal, cross-appeal, and attorneys' fees motion are collectively referred to in this MOU as the "Litigation."

WHEREAS, State law provides that the School Board may vote to exempt itself from compliance with the City's zoning regulations for classroom facilities under Government Code Section 53094, which may include athletic fields, under certain circumstances; and the City believes that outdoor institutional lighting warrants careful review to determine neighborhood compatibility and avoid any adverse land use impacts.

WHEREAS, the School District no longer intends to use Lots C & D for school, park, playground or recreation purposes.

WHEREAS, 900 Via Panorama ("Via Panorama Property") is owned by the Property Owners and located at the end of a cul-du-sac and is adjacent to City-owned parkland on three sides. To the North/Northwest of the Via Panorama Property, the prior owner installed a series of retaining walls to stabilize the Via Panorama Property. This installation was done without a permit. The Property Owners have applied to the City for an encroachment permit to allow the retaining walls to remain and be maintained by the Property Owners. To the West of the Via Panorama Property, in the area shown as Area A on the attached Exhibit 3, in City-owned parkland, the Property Owners landscaped and improved Area A, including placing a gazebo and other accessory, non-habitable structures. At the City's direction, Property Owners removed the structures encroaching on the City's parkland. Property Owners desire to make Area A part of the Via Panorama Property. Area A is approximately 75, 930 square feet and roughly equivalent in size and value to Lots C & D, although less useful as parkland because Area A is less accessible than Lots C & D. Having Lots C & D be restricted to open space is a key element of the City's General Plan.

WHEREAS, the Parties have reached agreement to achieve their respective goals and wish to memorialize the agreement in this MOU.

NOW, THEREFORE, based on the above recitals, the Parties do hereby agree as follows:

ARTICLE I - Purpose of MOU and Parties' Authority to Enter

A. Purpose of MOU: The purpose of this MOU is to memorialize the Parties' agreement and create binding obligations which are intended to (1) reaffirm application of the use restrictions and protective restrictions on the 1938 Conveyed Properties owned by the School District in the City which were conveyed subject to use restrictions by the Homes Association, to the extent set forth herein; (2) create a mechanism for the Parties to resolve the Litigation without further expense; (3) subject future lighting on the athletic field for Palos Verdes High School ("PVHS") to the City's zoning regulations and the approval of the Homes Association, as set forth in the protective restrictions and described in Article II below; (4) resolve the encroachments into City parkland from the

Page 4 of 14

Property Owners, including establishing responsibility for maintaining retaining walls and (5) establish Lots C & D as an open space area within the City.

B. Authority to Enter into MOU: The School District has the authority to enter into this MOU pursuant to the California Education Code. The Homes Association, through its Board, has authority to enter into this MOU by virtue of Article 3 of its by-laws. The City has authority to enter into this MOU, which is within the scope of its police powers. The Property Owners are authorized to act on behalf of the Via Panorama Family Trust pursuant to the trust instrument.

ARTICLE II – Obligations of the School District.

A. Affirms application of all protective and use restrictions to the 1938 Conveyed Properties and agrees to process for application of deed restrictions as to all 1938 Conveyed Properties deeded to School District by Homes Association and owned by School District in the City. To clarify the responsibility of the Parties, the School District agrees that the use and protective restrictions set forth in the Judgment and the grant deeds attached as Exhibit 2 apply to properties owned by the School District, including, but not necessarily limited to, the 1938 Conveyed Properties in the City. However, as long as the School District is in compliance with its obligations under this MOU and does not exempt itself from the City's zoning regulations for the purpose of installing lights² on the athletic field at PVHS except as allowed under this MOU, the Parties agree that the process for School District use of the 1938 Conveyed Properties shall be consistent with the structural approval process followed by the School District and Homes Association regarding improvements to the 1938 Conveyed Properties prior to the Litigation. The past practice has been that the School District will give notice of its projects by providing a courtesy copy of the plans to the Homes Association for comment within 30 days or as far in advance as practicable.

With the exception of the use or installation of lights on the athletic field at PVHS without the consent of the City, the Homes Association agrees that it shall not exert jurisdiction or seek fees associated with School District improvements to any of the 1938 Conveyed Properties, or otherwise impede or restrict any improvements to any of the 1938 Conveyed Properties, as long as those improvements are consistent with the grant deed restriction in **Exhibit 2**. This MOU does not convey any additional rights on the Homes Association that are not specifically set forth in any applicable use restrictions. This MOU does convey certain procedural advantages to the School District that the School District acknowledges are afforded to the School District in consideration for and only so long as the School District does not install or otherwise use lights at PVHS without the consent of the City.

² For purposes of this MOU, "install" shall mean the use or installation of permanent or temporary lights.

B. Agrees to subject lights at PVHS athletic field to City's zoning regulations and Homes Association approval process as set forth in the protective restrictions. The School District has no present plans to install or use lights on the athletic field at PVHS, located in the City. Should the School District wish to use or install lights on the field at PVHS, notwithstanding state law which currently allows the School District to exempt itself from the City's zoning regulations under Government Code Section 53094 under certain circumstances and with respect to classroom facilities or any other contrary provision of law, the School District agrees that, with regard to athletic field at PVHS only, it will not utilize the exemption process under Government Code Section 53094. With regard to the athletic field at PVHS only, the School District will comply with requirements to obtain whatever permits or approvals are required by the then-current City zoning regulations and, notwithstanding any prior practice or any contrary provision of this MOU, obtain approval from the Homes Association before and as a prerequisite to installing or otherwise using any lights, whether temporary or permanent, on the athletic fields at PVHS. The required approval from the Homes Association will be in accordance with the process as set forth in the protective restrictions.

In the event that the School District is mandated to install or use lights at the PVHS athletic field in order to maintain its athletic programs or for any other reason ("Mandate"), the School District may, without penalty, exempt itself from the City's zoning regulations under Government Code Section 53094. For purposes of this MOU a Mandate is defined as a requirement, rule or other obligation applied by the California Department of Education ("CDE"), California Interscholastic Federation ("CIF") or any other entity that has jurisdiction over School District athletic programs or School District facilities and programs in general, but which is not the School District itself or any entity to which the School District directly appoints members or representatives and which Mandate is also applicable to other similarly situated districts and may not be satisfied by any equivalent alternative field or other reasonable means.

Should the School District install lights at the PVHS athletic field, as alternative consideration for this MOU, the School District shall pay to the City an amount equal to the appraised value of Lots C & D as of the date of this MOU. Such amount shall be paid to the City within 10 days of the filing of a Notice of Completion for the installation of the lights at the PVHS athletic field.

Should the School District install lights at the PVHS athletic field, the Homes Association may enforce compliance with the protective restrictions, including but not limited to, exerting jurisdiction and imposing fees associated with School District improvements relating to the lights and any other improvements to all and any 1938 Conveyed Properties.

C. Reversion of Lot C& D's Ownership to Homes Association. The trial court found that the use restrictions in the 1925 and 1938 Deeds are valid and enforceable against the School District. The 1925 Grant Deed by which the 1938 Conveyed Properties were

originally granted to the Homes Association originally included a right of reversion if Lots C & D were not used in compliance with the deed restrictions. Thus, the Parties agree that Lots C & D will revert back to the Homes Association, pursuant to the terms of this MOU. The School District and Homes Association will execute and deliver any necessary documents to effectuate that end. The reversion shall occur on the Closing Date, as defined below.

D. Dismisses appeal and allows Judgment to be final. Within 10 days of the close of escrow on the transfer of Lots C & D to the Homes Association ("Closing Date"), School District shall file with the court a request to dismiss the appeal and cause the Judgment to be final.

ARTICLE III - Obligations of the Homes Association

- A. Dismisses cross-appeal and any appeal concerning attorneys' fees motion. Within 10 days of receipt of the School District's request to dismiss its appeal and cause the Judgment to be final, the Homes Association shall file with the Court of Appeal a request to dismiss its cross-appeal and appeal of the Court's denial of the Homes Association's attorneys' fees motion, if filed by that date.
- **B.** Land Exchange. Concurrent with the Closing Date, the Homes Association shall exchange with the City ownership of Lots C & D for ownership of Area A.
- C. Transfer \$100,000 to City to defray the costs of maintenance of Lots C & D or other open space. Within 5 days of the sale of Area A, Homes Association shall pay City \$100,000 to compensate the City for the cost of maintenance of Lots C & D and other costs incurred in connection with the matters that are the subject of this MOU, which funds may be used for any municipal purpose.
- D. Sale of Area A. The Homes Association shall sell Area A, subject to the use restrictions set forth in Exhibit 3, to the Property Owners for \$500,000, concurrent with the Closing Date.
- E. Warranty of title transferred. As of the date of the transfer of Area A, the Homes Association represents and warrants to Property Owners that the condition of Area A does not violate any recorded covenant, condition or declaration enforceable by the Homes Association, which could allow the exercise of any reversionary interest to the Homes Association in Area A.

ARTICLE IV - Obligation of the City

A. Exchange Area A (subject to the deed restrictions in Exhibit 4) for C & D with Homes Association, concurrent with the Closing Date.

ARTICLE V - Obligations of the Property Owners

- A. Apply for after-the-fact permits for retaining walls installed by Property Owners' predecessor-in-interest. Property Owners shall apply for planning approvals and city permits to allow them to maintain the retaining walls located as shown on Exhibit 3.
- B. Obtain an appraisal of Lots C& D and of Area A. In order to effectuate the property transfers contemplated by this MOU, prior to the land exchange between the City and the Homes Association, Property Owners shall obtain appraisals of Lots C & D and Area A, which appraisals shall meet the standards required by the City.
- C. Purchase Area A. Property Owners shall purchase Area A from the Homes Association for \$500,000. Area A shall be subject to deed restrictions as set forth in substantial form in Exhibit 4.

ARTICLE VI – Litigation Stay; no admission; other lawsuits

- A. Stay litigation: Implementation of some of the obligations of this MOU will require preparation of legal documents and, in some cases, action by bodies subject to state open meeting laws or other constraints that will require time. The Parties do not wish to incur any unnecessary legal fees or other litigation costs while this MOU is being implemented. To that end, the Parties agree to cooperate in requesting, if necessary, that the Court stay the current Litigation described herein by filing an appropriate stipulation to stay the Litigation for 90 days. Nothing herein shall prohibit a Party from perfecting or preserving any appeal rights while the Parties are performing their obligations under this MOU.
- **B.** No Admission: The entry into this MOU by the Parties shall not be construed to represent any admission by any Party with respect to the subject or sufficiency of any Party's claims or any defenses thereto, except to the extent provided herein.
- C. Other Lawsuits: The Parties represent that other than the Litigation described herein, there are no other lawsuits filed between or among them involving the subject matter of this MOU.

ARTICLE VII - Term of MOU

- A. Term of MOU: The term of this MOU shall begin upon its approval by the Parties and shall remain in effect, unless terminated earlier. During the term of this MOU, the Parties agree to negotiate, in good faith, modifications to the MOU that may be reasonably necessary to assure implementation of the obligations of the Parties set forth in this MOU.
- **B.** Termination: This MOU may be terminated by any Party, prior to the recording of the MOU only, by giving written notice in accordance with the notice provisions in Article

VIII(A) hereof. Termination by the City or School District shall be effective only upon a duly noticed public meeting conducted by the City or the School Board. Prior to any termination becoming effective the terminating Party shall cooperate with the non-terminating Parties to wind down any transactions related to this MOU and agrees to execute and deliver all such documents and instruments as may be necessary and appropriate to effectuate the termination of this MOU and resolution of any ongoing transactions related to this MOU.

C. Timing of obligations: The Parties will act in good faith to meet this timeline. The timeline is estimated to be:

• Closing Date: School District transfers Lots C & D to Homes Association

Homes Association exchanges Lots C &D with City for City's

Area A

Homes Association sells Area A to Property Owner

• Within 5 Days of Closing Date: Homes Association pays City \$100,000.00

• Within 10 days of Closing Date: All Parties dismiss any pending Litigation

ARTICLE VIII - General Provisions

A. Notices: Any notices or other communication required or permitted by this MOU shall be in writing and shall be delivered to the Representatives of the Party at the addresses set forth below. Parties shall promptly notify each other of any change of contact information provided below. Written notice shall include notice delivered via email. A notice shall be deemed to have been received on (a) the date of delivery, if delivered by hand during regular business hours, or by confirmed facsimile or by email; or (b) on the third business day following deposit in the United States mail, postage prepaid to the addresses set forth below:

- **B.** Relationship of the Parties: The Parties are and shall remain at all times as to each other, wholly independent entities. No Party to this MOU shall have power to incur any debt, obligation, or liability on behalf of another Party or otherwise act as an agent of another Party except as expressly provided to the contrary by this MOU.
- C. Cooperation, Further Acts: Parties shall cooperate fully with one another to attain the purposes of this MOU.
- **D.** Amendments: All amendments must be in writing, approved and executed by all Parties.
- E. Reservation of Rights: Each Party shall be solely responsible and liable in connection with its actions associated with its responsibilities under this MOU. For purposes of this MOU, the relationship of the Parties is that of independent entities and not as agents of each other or as joint venturers or partners. The Parties shall maintain sole and exclusive control over their personnel, agents, consultants, and operations. Nothing in this MOU is intended to limit the legal authority or responsibilities of the Parties, except as agreed to herein.
- **F.** Third Parties: Nothing in this MOU is intended to create duties or obligations to or rights in third parties to this MOU.
- G. Dispute Resolution: The Parties agree to attempt to informally resolve any disputes that arise with respect to this MOU prior to terminating the MOU by notifying the other Party if a dispute arises and identifying the issues in dispute. Each Party reserves its rights if informal dispute is not effective.
- H. Governing Law: This MOU is governed by, interpreted under and construed and enforced in accordance with the laws of the State of California.
- I. Authorized signatures: The Parties hereby represent and warrant that their respective signatory of this MOU is duly authorized to execute and bind the agency for which he or she signs.
- J. Time is of the Essence: Time is of the essence in the performance of and compliance with each of the provisions and conditions of this MOU.
- K. Counterparts: This MOU may be executed in counterparts and all such executed counterparts shall constitute one MOU which shall be binding upon all of the Parties, notwithstanding that all of the Parties are not signatories to the original or same counterpart. For purposes of this MOU, a faxed or emailed signature on a counterpart

shall be fully binding as though it was an original signature; provided, however, that the Parties shall provide original-ink signed signatures of the documents referenced herein that are intended to be recorded.

- L. Binding Agreement; Successors and Assigns: This MOU shall be binding on all Parties. This MOU shall be binding upon and inure to the benefit of the successors and assigns of the Parties.
- M. Entire Agreement: This MOU sets forth in full the terms of agreement between the Parties and is intended as the full, complete and exclusive contract governing the subject matter of this MOU. This MOU supersedes all other discussions, promises, representations, warranties, agreements and understandings between the Parties with respect to the subject matter hereof.
- N. Right to Cure: In the event that any party believes that another materially has breached any obligations under this MOU, such party shall so notify the breaching party in writing. The breaching party shall have thirty days from the receipt of notice to cure the alleged breach and to notify the non-breaching party in writing that cure has been effected.
- O. Legal Counsel. Each of the parties to this MOU has received independent legal advice from such Party's respective attorneys with respect to the advisability of executing this MOU. The Parties are entering into this MOU wholly of their own free will and volition.

IN WITNESS WHEREOF, the Parties to this MOU have caused this MOU to be executed on their behalf as of the date specified below, respectively, as follows:
