

Landscape Certification

This certification must be completed for all new development that meet the following criteria:

- Propose new or altered landscape area of two thousand five hundred square feet or more.
- All homeowner-provided or homeowner-hired landscaping projects for single-family residential projects which are subject to discretionary review by the city and propose new or altered landscape area of five thousand square feet or more.
- In addition, all existing landscapes installed before January 1, 2010, that are over one contiguous acre in size.

If significant erroneous information is found to be contained in the application, the City may contact the State Department of Consumer Affairs with this certification and a report of the errors for the Department's information.
