Contents:

Guide Book: What To Do In an Emergency
Pet Emergency Brochure
Water Purification Tablets
4-in-1 Emergency Tool (Fits most standard gas & water meter valves, & use to dig through debris).
2 pairs of leather gloves
2 High-Calorie Food Bars
18 water boxes
1 hand-crank AM/FM radio/flashlight combo
2 rain ponchos
5-in-1 survival whistle (compass, mirror, flint, waterproof container, whistle)
18 wet wipes
1 utility knife
1 roll of duct tape
1 personal-waste bag
3 light sticks
2 tissue packets
First Aid Kit

First Aid Kit includes:

aspirin, non-aspirin, and ibuprofen
assorted bandages
roll of medical grade tape
latex gloves
assorted anti-septic wipes
scissors
tweezers
insect repellent, burn cream
Q-tips
Blistex packet
gauze-pads
Neomycin cream
tongue depressor

More than a kit:

Having an emergency backpack is only part of the plan. View our website for a list of other easy steps you can take to be better prepared.
