HOME SECURITY FOR THE HOLIDAYS

Keep Your Home Safe This Holiday Season and Beyond

The Palos Verdes Estates Police Department wants to help you keep your home safe. In addition to the tips outlined below, visit <https://bit.ly/33zVjof> for a Home Security Assessment Checklist for Residential Burglary Prevention.

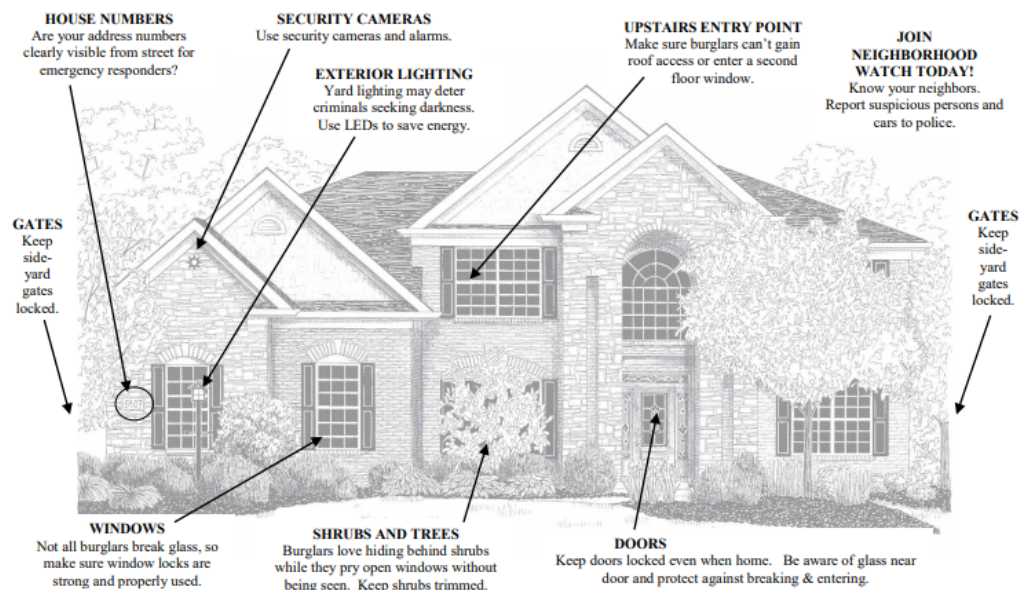

Remember these security procedures to keep your home safe:

- Use interior lights on timers when you expect to be away from the house when it is dark. This includes if you return home from work when it is dark already.
- Keep all doors and windows locked, even if you are just going out "for a minute." If a window is left open a few inches for ventilation, pins or dowels should be inserted in the tracks to prevent someone from opening it more.
- Lock gates, garages, and sheds after each use.
- Learn to recognize who belongs in your neighborhood, development, or apartment, i.e., residents, workers, guests, etc.
- Know who is at your door before opening it. Check photo registration card before dealing with any solicitors, peddlers, interviewers, etc. These persons are required to obtain an Identification Card from the city and display it on the front of their clothing. They are allowed to solicit only between 9:00 a.m. and 7:00 p.m. except by appointment.
- Be suspicious of persons making unsolicited offers of services.
- Ask for photo identification before letting in anyone you don't know. Check out the identification with the company, or call the police department, if you are suspicious.

- Don't leave your home keys on a chain with your vehicle keys when you use valet parking. Also, don't leave your garage door opener where it is easily accessible.
- Never let a stranger enter your home to use the telephone. Offer to make the call yourself in an emergency.
- Don't give your name, phone number, or whereabouts on your answering machine message. Never say you aren't home. Just ask the caller to leave a message.
- Don't go in your home if you suspect someone has broken into your home, e.g., if a window or screen is broken, a door is ajar, or a strange vehicle is parked in the driveway. Go to a neighbor's home and call the PVEPD.
- Don't discuss your assets or finances with strangers.
- Don't keep large sums of money at home.
- Keep valuable papers, stocks, bonds, expensive jewelry, coin collections, etc. in a bank safe deposit box. Don't store them at home unless you have a security closet or a safe that is well hidden and cannot be removed.
