# City of Palos Verdes Estates Budget Overview

## Budget Focus

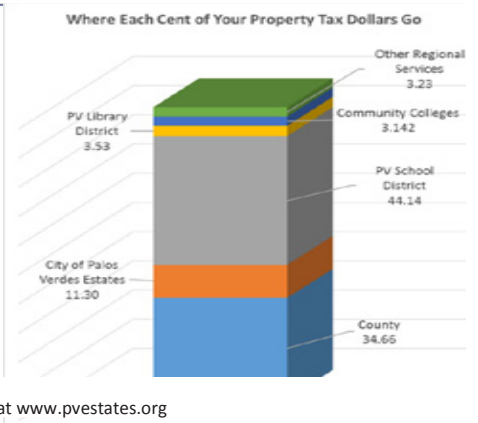

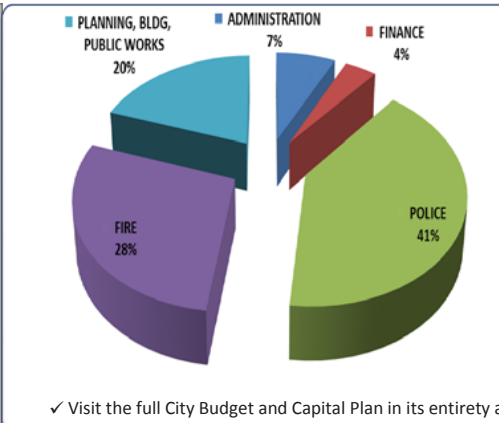

At the outset of this 75th anniversary year, mindful of continuing the City’s long, established history of fiscal conservatism and cost conscious operational practices, the City embarked on a budget process of planning the next phase of the City’s future. The goals and perspectives in preparing this budget encompassed (1) continuing a tradition of fiscal planning that is prudent and sustainable and (2) establishing an accurate fiscal base required to strengthen the organization’s efficiency, effectiveness and responsiveness; and build the operational, capital, and human resource infrastructure necessary for serving the community. The two-year plan is the start of a multi-year process. It is both resourceful and operationally realistic, ensuring no disruption to the high standards of service provided to the community, while placing the City on a trajectory for continued excellence.

## General Budget Highlights

- Revenues increased moderately, and are forecasted to remain so in the two year budget term (increase projected to be 2 to 3%).
- Property tax is the main revenue driver. The City had a better than average past year (increase projected to be 2.5%).
- The budget includes investments in long deferred equipment, services, system upgrades, security measures and technology.
- 2015 election costs are projected within the City Clerk's budget.
- Police budgets have been enhanced for readiness and emergency preparedness training.
- A new volunteer patrol and parklands ranger program has been included.
- The budget includes enhanced routine weed abatement annual contract services, as well as additional fire abatement work.
- A citywide increase in water costs is expected given drought conditions.

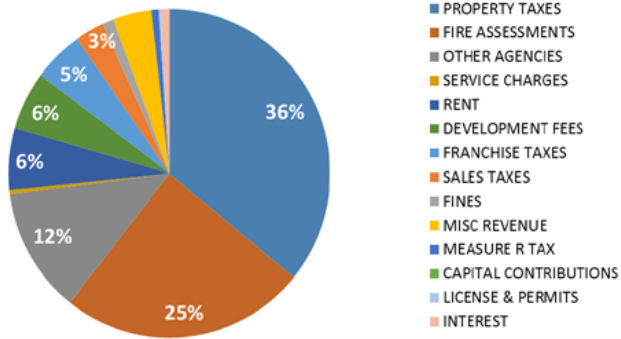

### 14/16 Budget Highlights

- Balanced
- Two-Year Plan
- Service Standards high
- Focus - Training / Best Practices
- Fiscally conservative
- 50% Rainy Day Fund Reserve
- \$18 Mil Total budget
- \$12 Mil Operating Fund
- \$6 Mil invested in City Improvements
- Technology Investments initiated

# Get To Know Your City Fall Forums

[September 6, 2014, 9:00 a.m. to 12:00 p.m. - Public Safety and Disaster Preparedness Street adjacent to Police Department/Fire Department](#)

Come by and grab a light breakfast of coffee and donuts while you meet your City's Public Safety and Public Works departments. The Police, Fire, Streets & Parks Departments and City utility companies and waste hauler will be on full display with public tours available of the City Public Safety and Public Works facility. Equipment and vehicles will be on display including police motorcycles, off-road vehicles, K-9 Lobo, a fire rig, tractor and other specialized equipment. This is a great chance for you to meet your public safety personnel and volunteers from community programs such as Disaster District Plan (DDP), Neighborhood Watch and PVE-CARES.

[October 2, 2014, 7:30 p.m. to 9:00 p.m. - Roadmap to City Services City Council Chambers and City Hall offices](#)

Seatbelts buckled... Be ready to navigate through a pictorial guided tour of what your City does, how it is structured, who does what, where to go and City finances. In the comfort of the polished wooden pews of the City Council Chambers, staff will provide a primer on the Palos Verdes Estates

local governmental organization, City services, who to call to address your questions, and how your tax dollars are used in maintaining Palos Verdes Estates as the great place it is. Following the formal overview, enjoy side trips through the administrative office spaces of City Hall during which you can speak to those people who work daily in support of our residents.

[October 16, 2014, 7:30 p.m. to 9:00 p.m. - Planning and Development City Council Chambers](#)

The Planning and Development Forum will largely focus on where the City has been, where it is, and where it is going. A moderated panel discussion will feature a variety of individuals with knowledge of the City's past, present and vision of the future. This Forum will provide an insightful discussion on the qualities of the City and its unique character resulting from its historical roots, planning processes and building/zoning requirements. The discussion will also include the City's response to pressures for change, such as in the demand for services, the physical and technological environment, and demographics.

For more information about these Forums, please contact City Hall at (310) 378-0383

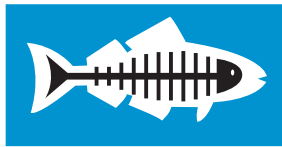

## TURF'S UP

West Basin Municipal Water District, in coordination with several sponsors and retail agencies, is offering customers ways to save water, time and money by replacing water wasting turf (lawn) with water efficient landscaping at \$2 per square foot (based upon certain restrictions). You must pre-qualify at [www.socalwatersmart.com](http://www.socalwatersmart.com). This is a first come, first served program and pre/post photos are required. Contact (310) 217-2411 or visit the program website, listed above, for more details.

## Zero Waste System

Free Workshop available on Monday, September 29th from 7pm-9pm at South Bay Adult School, 701 Peck Avenue, Manhattan Beach, CA 90266.

Learn about zero waste systems from experts from the Los Angeles County Sanitation District and Grades of Green. This class explores the concepts of zero waste and source reduction and provides an introduction to composting to help prevent wasteful and polluting practices. This workshop is sponsored by the South Bay Cities Council of Governments and South Bay Environmental Services Center. To register, or for more information, visit [www.sbesc.com/calendar/workshops](http://www.sbesc.com/calendar/workshops) or call (310) 371-7222.

# HEAL THE BAY - COASTAL CLEANUP DAY

## Heal the Bay

**C**oastal Cleanup Day is the largest volunteer event on the planet. Since 1985, the City of Palos Verdes Estates has teamed with Heal the Bay to host a cleanup site in Malaga Cove. Last year, 227 participants came to Malaga Cove and collected 166 lbs. of trash as well as 55 lbs. of recyclables. Needless to say, Coastal Cleanup Day is a great opportunity for your family and friends to do something wonderful for our beloved beaches and oceans.

This year Coastal Cleanup Day will be on Saturday, September 20th from 9 a.m. until 12 noon. As in past years, the check-in table will be located near

the gazebo in the parking lot at 375 Via Almar (lower Malaga Cove). Heal the Bay is promoting zero waste and asking participants to bring their own re-usable gloves and buckets.

Volunteer registration is required. Please note that everybody who participates in Coastal Cleanup Day is required to sign a waiver and ALL volunteers under the age of 18 must have the appropriate liability waiver signed by a parent or legal guardian before participating. Visit [www.healthebay.org/ccd](http://www.healthebay.org/ccd) for more information or to sign up for this event, or call the City's Site Captain at (310) 378-0383.

## Save Energy and HELP Prevent Blackouts

**C**onserving energy can help you save money, prevent power shortages, and protect the environment. Read through these simple tips below at home and sign up for Flex Alerts ([www.flexalert.org](http://www.flexalert.org)) to learn more about how to save. Many of these tips are free and can help save you money long after the days of summer are gone.

- **Adjust Your Thermostat:** Setting your air conditioner 5° higher will save up to 20% on cooling costs. During peak hours or when you're not home, remember to set your thermostat at 78° or higher.
- **Unplug Electronics:** Unplug battery chargers, power strips and other equipment when not in use. Taken together, these small items can use as much power as your refrigerator.
- **Prevent Leaks:** Adjust the blinds on windows that receive direct sunlight. Keep windows and doors closed to prevent the loss of cooled air.
- **Adjust Your Water Heater:** Turn your water heater down to 120° or the "Normal" setting when home, and to the lowest setting when away. Water heating accounts for about 13% of home energy costs.
- **Keep Cool With Ceiling Fans:** Reduce air

conditioning costs by using fans, keeping windows and doors shut and closing shades during the day.

- Most ceiling fans use less energy.

- **Be Smart About Lighting:** Turn off unnecessary lighting. Use task or desktop lamps with CFLs instead of overhead lights.
- **Power Down Your Computer:** Enable "power management" on all computers and make sure to turn computers and monitors off
- **Wash Clothes in Cold Water:** When possible, wash clothes in cold water. About 90% of the energy used in a clothes washer goes to water heating.
- **Load Up Your Dishwasher:** Run your dishwasher and clothes washer only when fully loaded. During summer, wait until after 6pm to run your dishwasher.
- **Programmable Thermostat:** Use a programmable thermostat to help keep your A/C costs low during the day when you're not at home.

**Further questions?** Contact South Bay Environmental Services Center (SBESC), a program of South Bay Cities Council of Governments (SBCCOG) (310)371-7222 or visit their website to learn of upcoming free workshops and seasonal programs [www.sbesc.com](http://www.sbesc.com).

# PV Transit Information for the 2014-2015 Annual Fall/Spring School Year

**D**uring the 2014-2015 Annual Fall/Spring school year, PV Transit will again be operating seven fixed routes serving the

Peninsula. Please take a few minutes to learn more about their service, and how to purchase a bus pass.

## **How to Buy a Bus Pass**

As usual, passes will not be available at school registration. Passes will be sold by mail only starting August 11, 2014. Application and instructions are found on the PV Transit website.

**FYI: PV Transit operates seven fixed routes throughout the Peninsula as follows:**

**225/226** Operates M-F from approximately 6 a.m. to 6:30 p.m. The **225/226** services the Peninsula, San Pedro, and the Redondo Beach areas. The **225** stops on Silver Spur/Crossfield and Silver Spur/Hawthorne, and several other locations in the nearby area.

# WEST NILE ADVISORY

This year, the West Nile Virus (WNV) has been reported in and around the Palos Verdes Peninsula and South Bay area. West Nile Virus is primarily transmitted through the bite of an infected mosquito and can be passed to animals.

While household pets can be infected, they rarely become ill; however, if you are concerned about your pet, contact your veterinarian. Most humans infected with WNV will not experience any illness, while others will have only mild symptoms, such as fever, headache and body aches. The elderly and those with lowered immune systems are considered high-risk of developing the West Nile fever if bitten by an infected mosquito.

Reduce your risk of mosquito-borne diseases by taking these precautions:

- Stay indoors at dawn, dusk and in the early evening.
- Wear long-sleeved shirts and long pants whenever you are outdoors.

- Spray clothing with repellents containing permethrin or DEET, since mosquitoes may bite through thin clothing.
- Apply insect repellent sparingly to exposed skin. An effective repellent will contain 35% DEET. DEET in high concentrations (greater than 35%) provides no additional protection. Repellents may irritate the eyes and mouth, so avoid applying repellent to the hands of children. *Whenever you use an insecticide or insect repellent, be sure to read and follow the manufacturer's DIRECTIONS FOR USE, as printed on the product.*
- Install, or repair, window and door screens so that mosquitoes cannot get indoors.

*Note: Vitamin B and "ultrasonic" devices are NOT effective in preventing mosquito bites.*

Visit [www.lawestvector.org](http://www.lawestvector.org) for more information. To report a dead bird or squirrel, please contact 1-877-WNV-BIRD.

## Athens Shredding And E-Waste Event

The City of Palos Verdes Estates will hold its annual FREE shredding event, in partnership with its waste hauler, Athens Services, **on Saturday, November 8, 2014 from 8:00 a.m. to 11:00 a.m.** at Palos Verdes High School Parking lot located at 600 Cloyden Road. Residents may bring up to three bankers' size boxes per household (10"x12"x15").

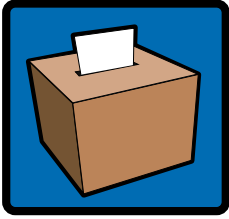

In addition to this year's shredding event, you may bring and dispose of your electronic waste at the same time! Electronic waste includes tvs, printers, dvd players, computers, etc. No hazardous waste (such as paint, oil, light bulbs, etc.) will be accepted.

This event is for Palos Verdes Estates residents only – please be sure to bring proof of residency.

For more information, please contact City Hall at (310) 378-0383 or Athens Services directly at 1-888-336-6100.

## NOMINATION PERIOD FOR CITY ELECTION BEGINS MONDAY, NOVEMBER 10<sup>th</sup>

**P**alos Verdes Estates voters will elect three members of City Council at the City's March 3, 2015 General Municipal Election.

The filing period for nomination papers begins Monday, November 10, 2014 and closes on Friday, December 5, 2014. If an incumbent does not file by December 5th, the nomination filing period will be extended five days to Wednesday, December 10, 2014.

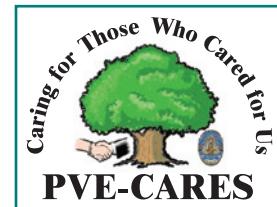

Nomination papers are available from the City Clerk's Office between the hours of 8:00 a.m.

and 5:00 p.m., Monday through Friday. During the nomination period, City offices will be closed on Tuesday, November 11th in observance of Veteran's Day and on Thursday and Friday, November 27th and 28th in observance of the Thanksgiving holiday. Persons seeking nomination papers must be registered voters of the City. Please contact the City Clerk's office at (310) 378-0383 or see the City's website ([www.pvestates.org](http://www.pvestates.org) – City Clerk Department/Elections) for additional information.

## POLL WORKERS NEEDED

It's not too early to consider serving as a poll worker for the City's Election Day on Tuesday, March 3, 2015. Poll workers play a vital role in making democracy work—plus—it is a great way to see your neighbors! Poll workers are paid \$80 for the day (Poll Inspectors, \$100) and will also be compensated for attending a training session. You can serve as a poll worker if you are a registered voter, or a high school senior with parental and school administrator's written permission. Contact Vickie Kroneberger, City Clerk/ Executive Assistant, at City Hall (310) 378-0383 x2251, or email [Cityclerk@pvestates.org](mailto:Cityclerk@pvestates.org), for more information on how you can help provide this valuable community service on Election Day. The Los Angeles County Registrar is seeking poll workers for the Tuesday, November 4, 2014 General Election. For information, call (562) 462-2728, or visit the County's poll worker center online at the Registrar's website at [www.lavote.net](http://www.lavote.net).

## PVE HISTORY TIDBITS

NEPTUNE FOUNTAIN IN MALAGA COVE PLAZA IS A TWO-THIRDS SCALE REPLICA OF A BRONZE STATUE AND FOUNTAIN ERECTED IN BOLOGNA, ITALY IN 1563. THE STATUE WAS DONATED TO PALOS VERDES ESTATES IN 1930 BY THE PALOS VERDES PROJECT. THOUGHT TO HAVE BEEN OVER 100 YEARS OLD BEFORE IT WAS BROUGHT TO THE CITY, THE STATUE WAS OBTAINED FROM A VILLA COURTYARD OUTSIDE VENICE.

MALAGA COVE SCHOOL LOCATED AT 300 PASEO DEL MAR WAS THE FIRST SCHOOL BUILT IN PALOS VERDES IN THE LATE 1920S. THE GARDNER BUILDING LOCATED AT MALAGA COVE PLAZA WAS THE SITE OF THE FIRST CLASSROOMS AND LIBRARY IN THE COMMUNITY.
