

# CITY OF PALOS VERDES ESTATES CONDITIONAL USE PERMIT

A Conditional Use Permit (CUP) is required for proposed uses which are not specifically permitted within the subject property's zone, as defined by the City Code. In granting a CUP, the Planning Commission or City Council must make the following findings:

- A. The use applied for at the location set forth in the application is properly one authorized by conditional use permit pursuant to this code;
- B. The use is consistent with the general plan and any applicable specific plan;
- C. The site is adequate in size and shape to accommodate the yards, walls, fences, parking and loading facilities, landscaping, and other development standards prescribed in this code, or as are otherwise required in order to integrate the use with the site, surrounding properties, and other permitted uses in the city;
- D. The site is adequately served by highways or streets of sufficient width and improvements as are necessary to carry out the kind and quantity of traffic such use will generate and by other public or private service facilities as are required;
- E. The use will not create unusual noise, traffic, or other conditions that may be objectionable, detrimental, or incompatible with surrounding properties or other permitted uses in the city;
- F. The integrity and character of the city, neighborhood, and site, the utility and value of surrounding properties, and the public health, safety, and welfare, will not be adversely affected by the use; and
- G. The application has been processed in accordance with the California Environmental Quality Act and the provisions of Chapter 17.10 of this code.

## ***Application Requirements***

The following may be required as part of your CUP application:

- Two sets of plans showing the proposed use on the site. Staff may require a site plan, floor plans, elevations vicinity map and/ or cross sections.
- Request for preparation of mailing matrix and fee.
- All forms contained in this application package.
- Photographs of existing conditions and/ or photo simulations.
- If the use proposed is not exempt from the California Environmental Quality Act (CEQA), an Initial Study Questionnaire, accompanied by the associated fee must be submitted.
- Traffic and/ or parking study.
- Other information as required by staff.

## STANDARD CONDITIONS OF APPROVAL

The following is a list of standard conditions of approval applied to all **Conditional Use Permit** applications. The conditions may be modified, deleted or added to by the Planning Commission on a case-by-case basis. For final conditions for a specific project, please contact the Planning Department.

1. This approval is granted for the land or land use as described in the application and any attachments thereto, and as shown on the plot plan submitted, attached hereto as Exhibit A.
2. Prior to obtaining a building permit and within 30 day hereof, the applicant and property owner shall file with the Secretary of the Planning Department written acknowledgment of the conditions stated herein on forms provided by the Planning Department.
3. All buildings, fences, signs, roadways, parking areas, and other facilities or features shall be located and maintained as shown on the approved plans.
4. All buildings and structures shall be of the design as shown on the approved plans.
5. Compliance with and execution of all conditions listed herein shall be necessary prior to obtaining final building inspection clearance and/or prior to obtaining any occupancy clearance. Deviation from this requirement shall be only by written consent of the Director of Planning.
6. All requirements of any law, ordinance, or regulation of the State of California, City of Palos Verdes Estates, and any other governmental entity shall be complied with.
7. This approval is subject to the applicant paying all fees and assessments to the City of Palos Verdes Estates, as required by Ordinance.
8. In the event the City determines that it is necessary to take legal action to enforce any of the provisions of these conditions, and such legal action is taken, the applicant shall be required to pay any and all cost of such legal action, including reasonable attorney's fees, incurred by the City, even if the matter is not prosecuted to a final judgment or is amiably resolved, unless the City should otherwise agree with the applicant to waive said fees or any part thereof. The foregoing shall not apply if the permittee prevails in the enforcement proceeding.
9. The applicant shall defend, indemnify, and hold harmless the City and its officers, agents, and employees from any claim, action or proceeding against the City or its officers, agents or employees to attach, set aside, void, or annul approval of this application. The City shall promptly notify the applicant of any such claim, action, or proceeding and shall cooperate fully in the defense.
10. An approval granted by the Planning Commission does not constitute a building permit or authorization to begin any construction. An appropriate permit issued by the Department of Building and Safety must be obtained prior to construction, enlargement, relocation, conversion, or demolition of any building or structure within the City.
